

A photograph of three scientists in a laboratory setting. In the foreground, a young Black woman with short, curly hair is smiling warmly at the camera. Behind her, a man of Asian descent and a woman of European descent are also smiling. They are all wearing white lab coats over light-colored collared shirts. The background shows laboratory equipment and shelves with various bottles and containers.

Opening Minds Creating Futures

Become a Fleming Scholar
Eight weeks of real research
(Get paid to learn in the lab!)

**Apply now: omrf.org/fleming
Deadline February 1**

Got questions? Call 405.271.7430 or 1.800.522.0211 or email FlemingScholars@omrf.org

Only high school seniors to juniors in college may apply.
Must be a graduate or graduating senior from an Oklahoma high school.
