

Tips for Taxpayers:

How to Claim your OMRF Tax Credit

Because you made a contribution to OMRF in **2018**, you may be eligible for a tax credit against your Oklahoma income taxes. The credit is 50% of the amount donated but may not exceed \$1,000 for an individual or business, or \$2,000 for a married couple filing jointly.

For all Oklahoma taxpayers, use Form 511CR – 2018.

- Line 19, Column B: Enter the amount of your 2018 **credit** (remember – 50% of your gift total, up to \$1,000 or \$2,000 allowed)
- Line 30: Enter total amount of all credits

For individuals, use Form 511 – 2018.

- Line 18: Enter the total amount of the **credit** from Line 30 of Form 511CR
- Line 18: If the only tax credit claimed is the Biomedical Research Contribution, enter “19” in the box. If more than one tax credit is claimed, enter “99” in the box

For corporations, use Form 512 – 2018

Form 511CR is available on **intuit. TurboTax**  **Turbo Tax and in other tax programs.**

It is our understanding that the links to follow on Turbo Tax to enter the tax credit information are:

1. Taxes and credits
2. State tax credits
3. Scroll down to the end of the list and click on “Additional Business Credits” until you find “Biomedical Research” tax credit.

A copy of a canceled check or receipt (such as the enclosed letter) must be provided as proof of the donation. Tax forms and instructions may be found at www.tax.ok.gov. The tax credit is authorized under 68 OS Sec. 2357.45 and Rule 710:50-15-113.

If you made your gift after August 27, 2018 and you itemize your deductions, please contact a tax professional about whether your gift is fully deductible.

Please call 405-271-7400 if you have any questions about your gift to OMRF.
