The Oklahoma Medical Research Foundation was born in 1946.

In 1950, 5,000 Oklahomans attended the open house for OMRF's newly dedicated research facility.

OMRF dedicated a new 186,000-square-foot research tower in 2011.

OMRF now employs 471 staff members representing 33 countries in 2019.

Patients travel from across Oklahoma and surrounding states for treatment in OMRF's multiple sclerosis and rheumatology clinics.
